SUMMARY

Detail-oriented **Frontend Developer** specialized in building scalable, pixel-perfect interfaces using **Next.js**, **TypeScript**, and **React**. Experienced in translating complex **Figma** designs into clean, maintainable code with a strong focus on UX details, delivering **10+ web projects** and completing **60+ development tasks** across multiple production projects.

SKILLS

- **Frontend:** Next.js, React.js, Vue.js
- **Languages:** TypeScript, JavaScript (ES6+), HTML5, CSS3
- **Styling:** Tailwind CSS, CSS3, SASS
- **Dev Tools:** Git (GitHub/GitLab)
- **Tools:** Visual Studio Code, Figma

WORK EXPERIENCE

KOVATEKNO, Kediri

May 2025 – Dec 2025

Frontend Developer

- **End-to-End UI Development:** Delivered 5+ web projects and executed 30+ frontend tasks, successfully translating complex Figma designs into responsive, high-performance landing pages and multi-role dashboards using Next.js and TypeScript.
- **Scalable Component Architecture:** Engineered highly reusable and modular UI components for a complex wholesale Point-of-Sale (POS) system, significantly improving code maintainability.
- **Cross-Functional Collaboration:** Partnered seamlessly with backend developer and QA teams to ensure accurate API integration, debug complex UI issues, and iterate on interfaces based on rigorous testing feedback.

ORDO Apps, Surabaya

Jul 2024 – Nov 2024

Frontend Developer Intern

- Translated Figma designs into production-ready Laravel Blade templates for 8+ projects, completing 22+ frontend tasks including UI components, layout updates, and bug fixes.
- Collaborated with senior frontend developers to debug UI issues and refine components for ongoing client projects.
- Improved UI consistency and usability through iterative fixes based on QA feedback.

EDUCATION

SMK Negeri 1 Kediri - Computer and Network Engineering

Jul 2022 - May 2025
